

## Household Combi Washer and stick vac.

Now you can vacuum and wash your tile and hard wood floors in one go with the Nilfisk Combi Washer. Save time without compromising on the cleanliness and hygiene of your home by cleaning wet and dry debris at the same time.

### Vacuum and wash in one go

Keep your home healthy and hygienic while saving time by vacuuming and washing in one go. The Nilfisk Combi Washer was designed to clean wet and dry dirt on tiles and hard wood floors without the need to switch machines, giving you total convenience and cleaning in one easy to use package.

When you just need a vacuum, the Combi Washer can be used without fluid for fast cleaning of dry dust and debris. For a full, hygienic clean, the Combi Washer can vacuum and wash at the same time to deliver a comprehensive deep clean of wet and dry debris. Perfect for homes with children or pets that need the flexibility of wet and dry cleaning in one machine.

Easy to clean and maintain.

Can be used on tiles and hard wood flooring.

Vacuum and wash with one machine.

7m power cable
